About the Wine:

Mick Fleetwood Private Cellar, conceived in the
late 90's, has released 18 vintages to date. It is
one of the most critically acclaimed and successful
celebrity wine labels and has received accolades
from the Wall Street Journal, Wine Spectator and
San Francisco Chronicle. In addition it has
received 9 major awards at international
competitions including the San Francisco Chronicle
International Wine Competition, the Long Beach
Grand Cru and the California State Fair.

Mick Fleetwood Private Cellar wine is a vineyard
independent line of fine wines, hand selected and
often hand blended by Mick Fleetwood of Fleetwood
Mac. Mick plays a very active role in the creation
of each vintage and likens it to recording a great
song - it's all about the little tweaks and changes
that take it from good to great.

Mick's wines are featured at this year's Food &
Wine Classic in Aspen and includes selections from
his wines produced at Langtry Estate & Vineyards in
the Guenoc Valley of California's Lake County.
Notably the event is featuring the Mick Fleetwood
Private Cellar 2005 Chardonnay, which won the
Bronze Medal at the 2007 Long Beach Grand Cru Wine
Competition.

Mick Fleetwood Private Cellar is proud to be

represented at the 2008 Aspen Food & Wine Classic and is one of very few celebrity wine labels to produce the quality needed for the attention from this highly regarded event.

About the Mick Fleetwood Blues Band:

Bringing together four stellar Blues and Rock musicians, Mick Fleetwood presents a band that is as current as it is nostalgic. In addition, Mick Fleetwood discusses the creation of his wines, and his passion for art, music, and the good life.
