

FOR IMMEDIATE RELEASE: December 4, 2007

**SNOWMASS CROSS COUNTRY CENTER OPENS
SATURDAY, DECEMBER 8**

Snowmass Village, CO (December 8, 2007) – The Snowmass Cross Country Center will open for the winter season this December 8th. The Center will be at the same location as 06/07, the golf pro shop of the Snowmass Club Golf Course off of Brush Creek Road in Snowmass Village. You can access the center by entering across from the Rodeo grounds or by the Snowmass Club.

The Aspen/Snowmass cross country trail system boasts 60km of free cross country skiing, compliments of the Aspen/Snowmass Nordic Council, the City of Aspen, the Town of Snowmass Village and Pitkin County. The trails, including those that connect Snowmass to Aspen, are groomed regularly.

The Center will be open daily from 9:30am to 4:30pm for rentals, lessons, tours, retail sales and cross country ski tuning. Our experienced staff includes veterans Mark Kinchloe (manager) and Molly Child. Please call us for information regarding our programs and special events. There's plenty of snow, so come visit.
